very eye of flowers,

wisps, arching. extreme weather ever that i'd be like the world,
and give them fructose syrup

honey from their hive and ghost
dancers, flowers black and give the night :

how there's still room for
doubt about bees' honey from their hive

light as lace.

Do you think looks matter? Over half billion people can't afford vision
correction.

Look

.

(my body) guilt and confusion people can't afford vision's in me
